I-495 CAPITAL BELTWAY AND ROUTE 267 INTERCHANGE INFORMATION MEETING

Tuesday, Nov. 10

ALEXANDRIA— The Virginia Department of Transportation (VDOT) will hold an open house information meeting on Tuesday, Nov. 10, 2009 from 7-9 p.m. at George Marshall High School, 7731 Leesburg Pike, Falls Church, VA 22043.

Citizens are encouraged to attend and find out about proposed design modifications to ramps at the Capital Beltway interchange with the Dulles Toll Road and Dulles Airport Access Road. The proposed design change would give motorists heading to or from Washington Dulles International Airport a direct connection to/from the Dulles Access Road. Currently, motorists heading to or from the airport must merge across several lanes of the Dulles Toll Road to enter/exit the Dulles Access Road. These proposed design modifications are part of the I-495 Beltway HOT lanes project.

Stop by anytime between 7 p.m. and 9 p.m. to view displays and learn more about the proposed design modifications. VDOT representatives will be available to answer your questions.

Written or oral comments will be accepted at the meeting or they can be submitted by Nov. 24, 2009 to Ronaldo T. Nicholson, P.E., Regional Transportation Program Director, 6363 Walker Lane, Suite 500, Alexandria, VA 22310.

Comments can also be e-mailed to Meeting_Comments@VDOT.Virginia.gov. Please reference "I-495/DTR Interchange" in the subject line.
