GALLOWS ROAD NORTH TO I-495 SOUTH EXIT RAMP CLOSED FOR TWO WEEKS

Detour in place

ALEXANDRIA—On or about Oct. 24, the Virginia Department of Transportation will close the ramp from Gallows Road (Route 650) north to I-495 south for two weeks, weather permitting. This closure will allow crews to remove and replace the old ramp and complete paving for the new beltway lanes.

Detour Route: Traffic will be directed to continue northbound on Gallows Road past Inova Fairfax Hospital, turn right onto Arlington Blvd (Route 50) and follow signage to I-495 south.

Motorists on Gallows Road may encounter periodic delays approaching the I-495 interchange due to this work, which is part of the Capital Beltway High Occupancy Toll (HOT) Lanes Project.

(END)

About the HOT Lanes Project: Bridge and road work is underway along all the Capital Beltway's interchanges inside the HOT Lanes Project work zone between the Springfield Interchange and just north of the Dulles Toll Road. These new bridges and interchange connections are part of the \$260 million infrastructure replacement in support of the \$1.4 billion Capital Beltway HOT Lanes project. The project is on schedule for completion by late 2012. For updated project information please visit www.VAmegaprojects.com
